Director

FORE WORD FROM THE PRINCIPAL DESK

It is indeed a proud moment for us to inform that, Behala College stands to be the only college under University of Calcutta to be awarded **'A++' Grade** from National Assessment and Accreditation Council (NAAC) while we are celebrating Institutions' Diamond Jubilee Year. In addition to the accreditation, Behala College is now among **best 20 Highest ranking Educational Institutions** of the country.

I feel ever elated to say that, it's been our 'Man-making' vow that has made us successful. The vow as we follow, being laid down by Swami Vivekananda make us such strong humans who can dare to think and believe that only sky can be the limit.

Behala College is more a *Gurukula*, than a formal Institution , where teachers are always involved in empowering the insight of students. Without the fear of hesitation, it can be stated that Behala College is now the name for a separate Education Model with vast repository of young minds following a particular path.

With 21 Undergraduate and 4 Post-Graduate Courses the academic programmes conducted by the Institution are oriented in the way of skills-intensive and technology based. With National Education Policy being implemented, Behala College has shaped the training of each student through Intensive Guidance Programme, Advanced Bridge Course and Add-on courses that includes the areas of training through Language Lab, Photography Course, Yoga-Gymnasium Unit. In addition, the College also provides certificate courses in Drone-Pilot Training, Travel and Tourism and Handi-craft. Self Defence Training for Girl students has been the best practice since 2015 that the College cherishes.

The landscaped greenery of the Institution adds an ambience of energy and effective teaching-learning, that holds strong in assemblance with the Behala College Knowledge Hub (library) which shares its pride to be a state-of-art establishment. Above all, Behala College is one of such Institution who assembles Industry for the students under its Entry-In-Service venture. Thus a complete and defined career cycle takes life which truly manifests when we see our vibrant alumni working for the Nation and World. The College has have a strong cultural wing which is extended to functioning of Rabindra Anushilan Kendra and Value Added Course accomplishment through the activity of Vivekananda Study Circle.

I, hereby ascertain all of you a wonderful life ahead in the family of Behala College where you would realize a new self, struggling for emancipation to make an identity for the Nation.

Message from IQAC Co-ordinator

Dear students,

On behalf of the Internal Quality Assurance Cell, Behala College, I welcome you all to an exciting new phase of your life.

Behala College, stands at the heart of Parnashree locality, making an avowed commitment to spread higher education amongst all, irrespective of caste, creed, religion, gender and economic status. Dedicated to excellence, we wish to empower students to become confident, compassionate, humble yet resilient, contributing members of the society. Our college has a legacy of 61 years, affiliated to the University of Calcutta. With 21 undergraduate departments and 4 post graduate programmes, we are moving forward with both Curriculum Credit Framework (CCF) aligned with NEP-2020 and the Choice Based Credit System (CBCS) this year. CCF regulation includes Both 4-Year and 3-Year programmes for students with two semesters per academic year.

Our college boasts of a state-of-the art open access library, well-equipped science laboratories, a language lab, a computer lab, a mini museum, a medicinal plant garden and an organic farming area, a vermicomposting area, On-Grid Solar power system, a rain-water harvesting system and a basket-ball court, to name a few. We have a Learning Management System named "e-Shikshak" which provides students with study materials and video lectures for their easy access and 7 Certificate courses which every student can pursue alongside their studies.

Our students are empowered through various Certificate and Internship Courses which gives them real-life on-job experience through skill development and a chance to explore different career paths and understand which fields align with their interests. They are always encouraged to take part in intra- and inter-college cultural and sports competitions throughout the year. Once a week the Cine-club screens movies for all, making up a vibrant cultural community at the college. A dedicated Rabindra Anushilan Kendra is at the helm of the literary wing of Behala College.

Our teachers are always there for our students. Mentoring remains at the heart of our teaching-learning process. While encouraging students to think critically, analyze information and solve problems, our teachers ensure every student receives the support they need. So that when time comes to choose between what is right and what is easy, our students know which one to do.

With these words, I once again welcome you to this NAAC accredited Grade A++ college which is going to be your second home for the following years.

Behala College

At Behala College, established as Grants-in-aid State Government sponsored College in the year 1963, affiliated to University of Calcutta, under the Refugee Rehabilitation Scheme of the Government of India offer both Under-graduate and Post-graduate education. Behala College subscribes to technology based advanced learning model of education. Set in state-of-the-art and creative learning spaces, the approach unleashes innovative and entrepreneurial thinking and prepares students for the careers of today and tomorrow.

Model of Learning

At Behala College, the teaching process is a blend of theory and hands-on training that provides a experience of work with employers to give the opportunity to learn in real-world settings. The model of education is made up of four tenets:

1) Technology based education

2) Experiential teaching methods evaluated on competency based outcomes

3) Ties with industry and

4) Applied research that aims to solve problems faced by industry that provides students with work integrated learning.
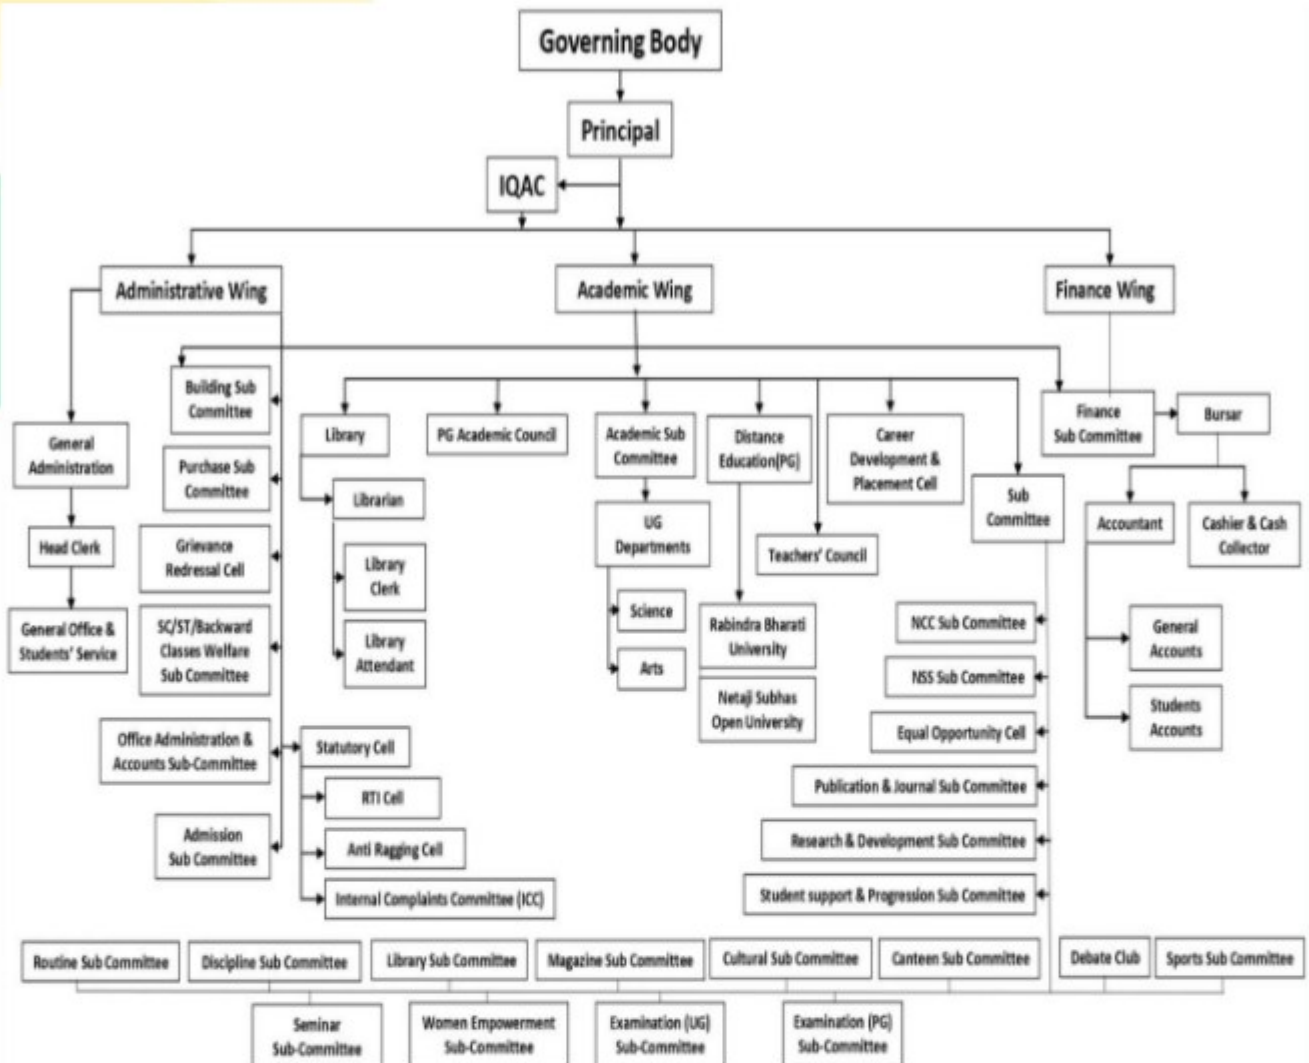

The tenets are governed by managerial and leadership skills that a student learns through activity schedule of the College. With technology rapidly advancing, Behala College model of education is sure to chart a sure path to ones career and keep one connected to the

Getting Started

At Behala College it's the recognition that, not everyone who comes, is looking for exactly the same thing, so the Institute has advanced in deploying a guidance programme (Mentor-Mentee) to help students identify obstacles and solve at the earliest. The model programme has proved itself in building confidence and encouraging will-power that one may need to get started. It's the guidance that includes how to determine the Course that would shape the future world. The Advanced Bridge Courses, Add-On Courses, Certificate Courses confirms the robust Academic Hub foundation of the College. Under the existence of Skill Hub, like Photography Club, the Institution offers training on Drone Pilot , Hand-Craft Training, Travel and Tourism, Self-Defence for Girl students, and more is establishing its pace with constant shift in the field of Academics and Employment Opportunities. to infiltrate the behaviour of Quest and Exploration.
